My dear Sir

You have sent me $\$11$ too much. You have already paid me for both parts of Churchyard - Part II will follow in due course

The additional £1 puts your name on my list for the continuation of my Yellow Series & I thank you for it.

You must keep the acct against me

Yours very faithfully

You have sent me
too much. You have
sent me for good part of
the money - but I will not
take it in the corner.
The only thing I have
your name on my list for
the certificate of my father
and I thank you for it.
You must keep the rest
against me.
Yours very faithfully
J. P. Jones
